

MINTZ & GOLD LLP

WE ARE ALWAYS MINDFUL OF THE PERSONAL AND FINANCIAL COSTS TO OUR CLIENTS.

For 22 years, Mintz & Gold LLP has maintained a proven record of providing sophisticated, practical legal advice in a timely and cost-effective manner. Representing individuals, public corporations, Fortune 500 companies and celebrities, the firm offers a wealth of experience in commercial and media litigation, appellate litigation, corporate transactions, real estate, labor and employment, white-collar defense, matrimonial resolution, and trust and estates.

Mintz & Gold congratulates Steven Mintz, head of the firm's litigation practice; Steven Gold, head of the firm's corporate practice; Jeffrey Pollack, head of the firm's labor and employment practice; Elliot Sagor, head of the firm's white-collar defense practice; and Alan Katz, head of the firm's real estate

practice, for their selections to the 2015 New York Super Lawyers list.

Founded in 1993, the firm has consistently grown in size and breadth of practice, while setting itself apart from the competition by providing first-rate legal services at competitive prices and creative alternate-fee proposals. Mintz & Gold is equipped to handle large corporate and real estate transactions and litigations, but remains small enough to provide clients with personal contact and a financially prudent approach to legal services.
