## **Veteran General Counsel Lon Jacobs Joins Mintz & Gold**

*Prior Roles Include Time, Inc., News Corporation and Las Vegas Sands*

November 4, 2019, New York, NY -- Mintz & Gold, a full-service New York City-based law firm announced today that former public company general counsel Lawrence "Lon" Jacobs has joined the firm as a partner in the Corporate and Media Law practice groups.

Most recently, Lon was Executive Vice President and Global General Counsel of Las Vegas Sands, where he was responsible for the leadership and oversight of the company's legal affairs around the world. Prior, Lon was Executive Vice President and General Counsel at Time, Inc. from 2013-2016, overseeing all legal aspects of the spinoff from Time Warner as well as leading their legal affairs, including mergers and acquisitions and governance and compliance.

Lon spent 15 years at News Corporation and from 2004-2011, was Senior Executive Vice President, Group General Counsel and member of the Office of the Chairman. In that role, he oversaw all legal matters, including several major acquisitions (Dow Jones, Sky Italia, MySpace, DIRECTV). He also counseled News Corporation on securities, governance and compliance issues while supervising an international team of 300 lawyers.

Mintz & Gold co-founder Steve Mintz said, "We are elated that Lon will expand our talented corporate and media practices. We have known him for over 30 years since we were together as lawyers at Squadron, Ellenoff."

Mintz & Gold co-founder Steve Gold added, "Lon's in-house corporate and media experience will be of great benefit to our clients. His extensive gaming knowledge will also be a perfect fit for clients as casinos open and expand across New York State and beyond."

Lon Jacobs added, "I am looking forward to new challenges as I return to law firm practice. I am glad to move back to New York and build out Mintz & Gold's corporate and media groups."

Earlier this year, Mintz & Gold added five partners in the Accountants' Liability; White Collar Criminal Defense and Investigations; Bankruptcy and Restructuring; and Media, Intellectual Property and Freedom of Information Laws practice areas and increased its office space by 33%.
